Incheon Strategy to “Make the Right Real” for Persons with Disabilities in Asia and the Pacific

Aims to accelerate disability-inclusive development and CRPD ratification and implementation

Derived from 20 years of experience: Asian and Pacific Decades of Disabled Persons: 1993–2002 and 2003–2012

Key feature: time-bound and measurable Incheon goals and targets

Based on CRPD principles

Time-frame for achieving goals: Asian and Pacific Decade of Persons with Disabilities, 2013 to 2022

For a disability-inclusive Asia-Pacific, partnerships must be forged:

- Multi-sectoral
- Multi-stakeholder
- Multi-level

10 Goals to “Make the Right Real”

1

Reduce poverty and enhance work and employment prospects

2

Promote participation in political processes and in decision making

3

Enhance access to the physical environment, public transportation, knowledge, information and communication

4

Strengthen social protection

5

Expand early intervention and education of children with disabilities

6

Ensure gender equality and women's empowerment

7

Ensure disability-inclusive disaster risk reduction and management

8

Improve the reliability and comparability of disability data

9

Accelerate the ratification and implementation of the Convention on the Rights of Persons with Disabilities and harmonization of national legislation with the Convention

10

Advance subregional, regional and interregional cooperation

Win-Win Collaboration

Participants, volunteers and faculty at the end day two of MESXXIV Medical Assessment at Langkawi Hopsital.

Incheon Strategy Goal 3

Enhance access to the physical environment, public transportation, knowledge, information and communication

Prospective Longitudinal Cohort

Incheon Strategy goal 8

Improve the reliability
and comparability of

disability
